

SIMPLEXGRINNELL'S PRODUCTS AND SERVICES ON THE GSA SCHEDULE

Looking for integrated, world-class systems and services for fire protection, security, building communications and healthcare communications?

The answer is SimplexGrinnell, the nation's largest building systems integrator and single-source provider.

Our OneStop™ Solutions Integration provides comprehensive single-source solutions perfectly suited to the government marketplace.

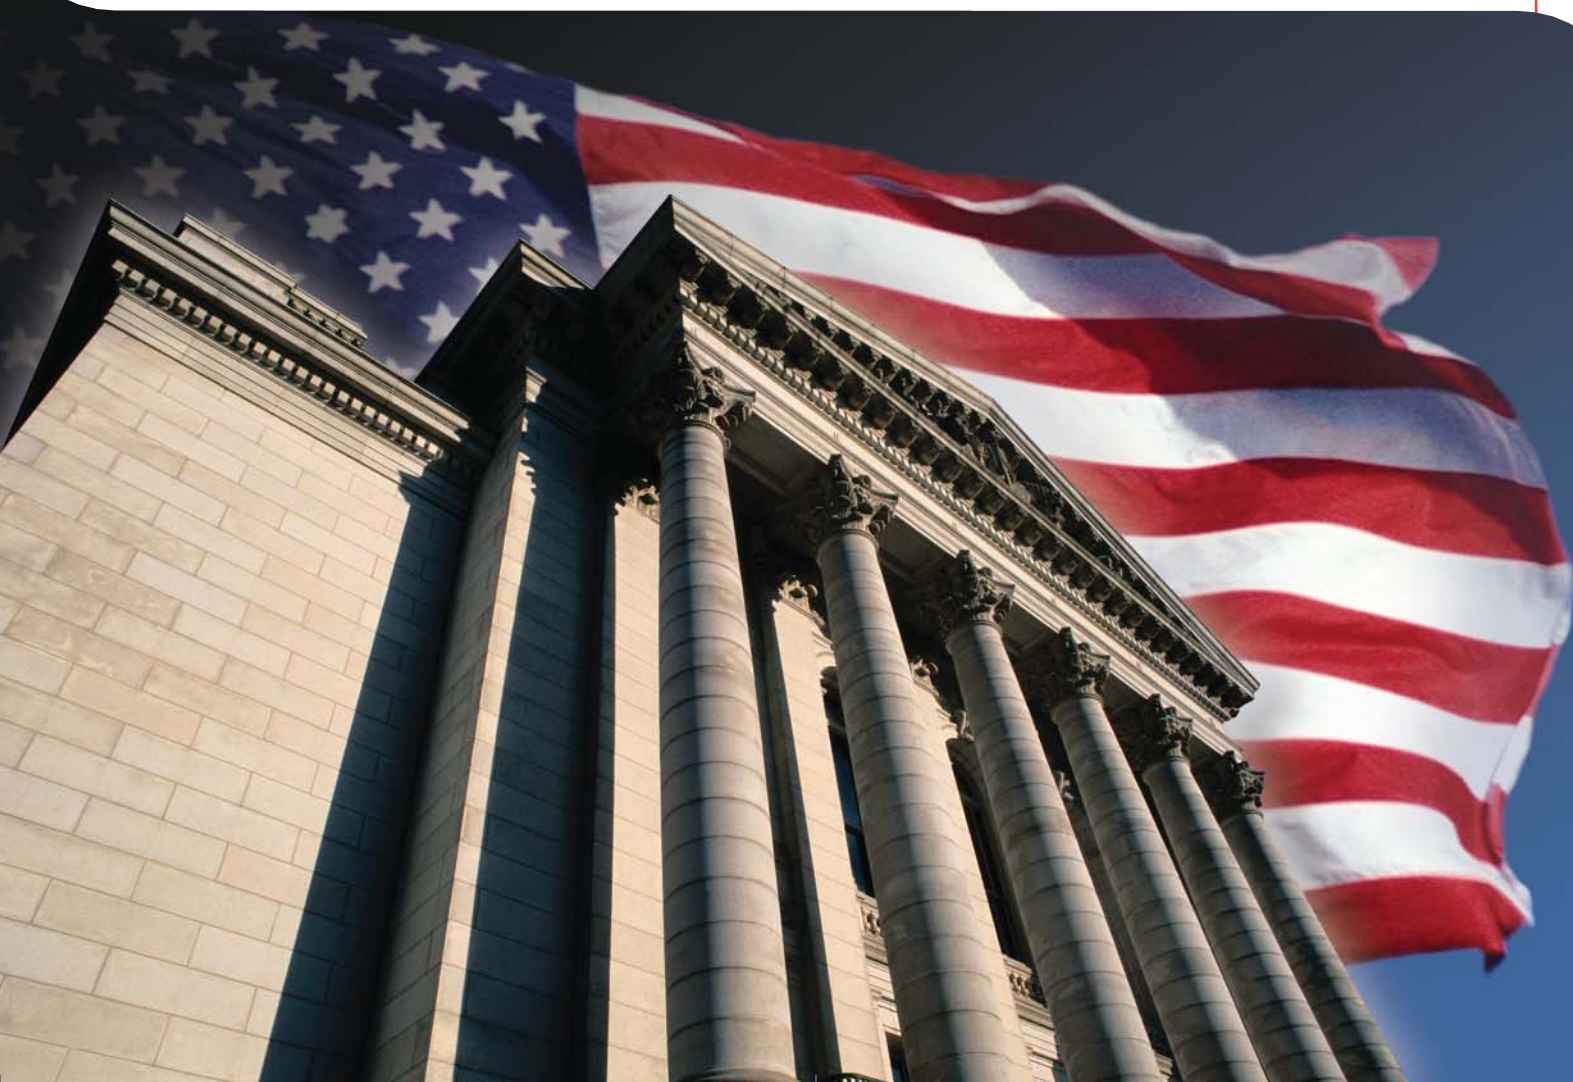

Whether it's new construction or a retrofit, SimplexGrinnell can handle it all. Plus, you'll get the benefits of the

unmatched expertise and around-the-clock local support provided by our network of more than 150 company-owned district offices in North America.

No matter what you need, you can be confident that any technical nuance, from infrastructure wiring to code compliance, will be handled by local teams of SimplexGrinnell experts.

We have nearly 13,000 employees working in the field, including nearly 5,000 technicians. More than 2,000 of our professionals are NICET certified. And SimplexGrinnell provides employees ongoing safety and technical training.

Put all of this together, and you've got a company dedicated to providing unequalled customer satisfaction. That's what SimplexGrinnell and our OneStop Integrated Solutions delivery model is all about.
