CERBERUS  
PYROTRONICS

FIRE CONTROL  
INSTRUMENTS

NOTIFIER

THORN AUTOMATED  
SYSTEMS

...OTHER  
MANUFACTURERS

To have the most reliable system for the protection of people and property, you need the highest quality service and expertise.

SimplexGrinnell, the leader in fire protection, can service fire alarm systems from many other manufacturers. With our testing and maintenance services, you can be certain that your system will provide the protection you depend on.

**Everything you need to know about your fire alarm system but were afraid to ask. SimplexGrinnell has the answers.**

With SimplexGrinnell you can expect:

- quality service for fire alarm systems from many manufacturers.
- support from our systems laboratory, providing the technical knowledge to service both old and new systems from many manufacturers.

- expertise from technicians accredited by the National Institute for the Certification of Engineering Technologies (NICET) and extensively trained in servicing many brands of equipment.
- local office response with quick-access parts inventory.
- a national parts distribution center with 24-hour parts availability.

*Let SimplexGrinnell be your single source for life-safety system services. We'll keep you a step ahead of any emergency.*

**PROTECTING PEOPLE,  
PROPERTY AND  
PEACE OF MIND**
